The following approvals and plat data must be submitted with the plat application:

- ☐ The required zoning is in place.
- ☐ Any required conditional use approvals have been issued.
- ☐ All wetland delineations – DNR concurrence - are complete.
- ☐ Access approval letter(s) from the controlling highway jurisdiction(s).
- ☐ Soil tests for private sewage systems.

The subdivision plat review process includes numerous State and local agency reviews in a two-step process. The Town Board reviews the preliminary plat and the final plat for compliance with the Town of Troy Land Division Ordinance and applicable laws.
